SUPERINTENDENT'S REPORT

To the School Board of Madison:

I herewith submit my first annual report which is the first in the series of such reports.

Union No. 36

The eight school districts of Brookfield, Effingham, Freedom, Madison, Middleton, Ossipee, Tamworth, and Wakefield continue to comprise this supervisory union. The union expense of administration is as follows: Brookfield, 1.60% ; Effingham, 7.87% ; Freedom, 6.04% ; Madison, 12.43% ; Middleton, 3.31% ; Ossipee, 30.90% ; Tamworth, 20.41% ; Wakefield, 17.44%. The above percentages are based on the pupil registration in the various towns.

Besides painting the Silver Lake school inside and out, it was found necessary to completely overhaul the woodshed. This included putting in a cement founda-

tion and floor, clapboarding, painting, re-boardings inside, and shingling the roof.

It was also found that the Corner school woodshed needed practically the same repairs as at Silver Lake. These cement floors at both schools should last for a long while.

At the Nickerson school it was necessary to repair the roof and lay new roofing over the toilets.

New timbers were required to put up the swings which are used so extensively by the children. A new sink was installed in each of the three elementary schools.

The above mentioned work did not include the varnishing of seats and woodwork and general cleaning which is an annual procedure. The cost of making these buildings ready for occupancy in September was \$673.36.

The general work which was done at the high school including checking on the plumbing and furnace was \$100.35.

We are very fortunate in having very capable teachers in our schools. It is our aim to improve the standards in our schools and we feel that it can be done through earnest cooperation between teachers, parents, and pupils. We also feel that from this cooperation there will be a clearer understanding among the many parents and friends of the value of the schools in the community.

Many hot lunches have been served to the pupils in the elementary schools who take their dinners. At the Silver Lake school the lunch program has been aided greatly by the supply of surplus commodities which has been given it. We appreciate the interest shown by the teachers in serving these lunches to the

pupils because without their interest and support to the noon program it could not be carried out successfully.

The fine spirit of cooperation which prevails between the members of the School Board, teachers, parents, and pupils is greatly appreciated.

Respectfully submitted,

Harold A. Truell

REPORT OF MADISON SCHOOL NURSE

To the School Board of Madison:

Report of the School Nurse since Sept. 2nd, 1941.

Pupils inspected 104

School Visits 30

Physical examinations have not been completed. All of the children in the High, Primary and Rural schools have been weighed and measured. Vision tests have been completed. The majority of pupils with impaired vision have been previously fitted and are wearing glasses.

Plans are being made for a Dental Clinic this spring. It is hoped that as many children as possible will take advantage of it.

Due to the change in the school nurse it is impossible to give a full detailed account of the work done in the past year.

I wish to express my appreciation for the co-operation of the Superintendent, School Board, Teachers and parents in the community.

Respectfully submitted,

Eva A. Heney R. N.
